DATE MAILED: 09/26/2005

Please find below and/or attached an Office communication concerning this application or proceeding.

This is the second Office Action for application serial number 10/715,224, Sheet Music Stand Helper, filed November 16, 2003.

Response to Amendment

The reply filed on April 14, 2005 is not fully responsive to the prior Office Action because of the following omissions or matters:

Applicant must reply to every ground of objection and rejection in the prior Office action. The reply must present arguments pointing out the specific distinctions believed to render the claims, including any newly presented claims, patentable over any applied references. A general allegation that the claims define a patentable invention without specifically pointing out how the language of the claims patentably distinguishes them from the references does not reply. Applicant must clearly point out the patentable novelty, which she thinks the claims present in view of the state of art disclosed by references cited or objections made. Applicant must also show how the amendments avoid such references or objections. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
